

## Art in our school – learning walk – February 2024

At Rosecroft Primary School, we are proud to display our learning. Here are some examples of our artistic creations across the curriculum.

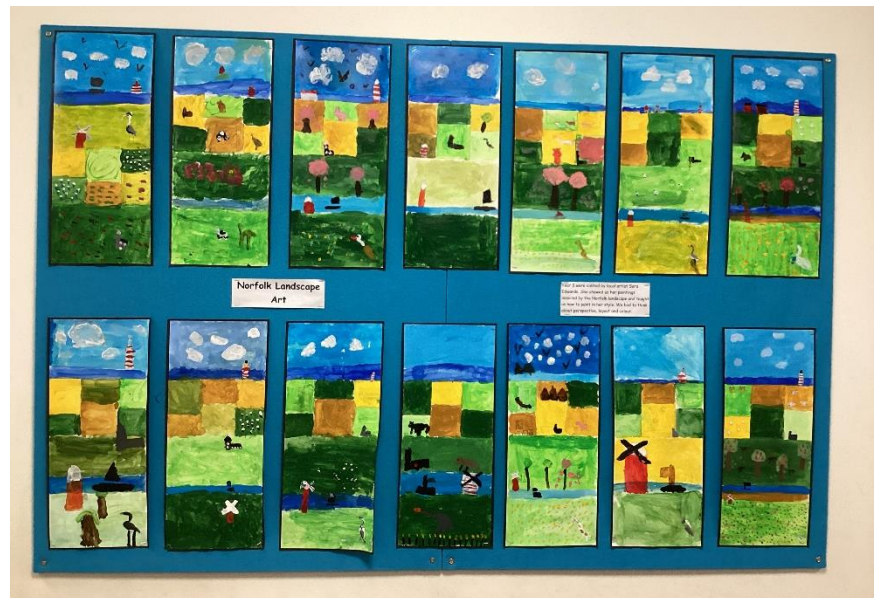

Year 1 have studied *The Three Little Pigs* and used different colours, textures and materials to create their houses.

Year 2's self-portraits, created with their knowledge of shape, colour and emotions, welcoming us into class.

Year 2 used their cutting, colour and shape skills to create collages of the creatures and habitats they have been learning about in Science.

Year 3's Norfolk landscapes created during a workshop with local artist Sara Edwards.

Year 6's Ancient Mayan inspired printing.

Year 6 used their watercolour and cutting skills to create these beautiful pieces to mark Remembrance Day.
