If a child tells you something:

Listen calmly.
Don't promise confidentiality.
Report it to the DSL immediately.

Worried about an adult?

If the allegation is about an adult working in school, please refer it to the Headteacher.

If the concern is about the Headteacher contact:
Jonathan Taylor (CEO SET).

Never promise to keep a safeguarding concern a secret.

If a child is in immediate danger, call 999.

Listen. Reassure. Report.
