Newsletter 10

Dear Parents and Carers,

The Spring term has come to an end and looking back it's been a busy but exciting time.

We enjoyed celebrating special achievements in our end of term assemblies over these last 2 days and it was lovely to be able to welcome some invited parents and carers to join us.

I hope Y1 parents found the phonics meeting useful this week and also spending time in classrooms afterwards.

We finally took delivery of our new outdoor gym which has been in constant use and provides the children with a completely different experience to our existing climbing frames and trim trails. It has been lovely to see everyone actively enjoying all the equipment outside at break and lunchtimes.

This week finally, saw our conversion to Sapientia which we are very excited about. We have been working with the Trust for approximately a year now, but are finally able to fully access and engage with everything the Trust has to offer. There has been a huge amount of work happen behind the scenes to enable this to happen, but soon you will also notice some external changes. Our website will be changing and yesterday we had a website photographer in school who was capturing what a typical busy day at Rosecroft looks like. I will keep you updated on the roll out of this. Also, things like letterheads and school signage will soon show the Sapientia logo. All school email addresses will also change, but we will share more about this when it happens.

Our KS2 were treated to a performance of 'The Railway Children' yesterday by a visiting theatre company. It really was amazing and we hope to book them again to perform to all our children around Christmas time.

Thank you to FORPS who have had a busy few days with their secret shopping events this week and are currently setting up for the after school Easter Fair. We appreciate all the hard work that goes into organising and running these events.

Next half term is really short and then we'll be launching into sports days and transition events ahead of September.

Before then though, I hope you have a lovely sunny Easter break and don't forget we do not return until Wednesday 23rd April 2025.

Best wishes , Mrs Jackie Drew - Headteacher

Parent and Carer Code of Conduct

I have attached a copy of our current code of conduct to this as sadly we have had several instances recently of parents and carers behaving inappropriately towards school staff. This has included behaving in a threatening manner, being verbally abusive, swearing and shouting at teaching, support and office staff members.

Whilst I appreciate that this will be because the parent/carer has a concern around their child, it is never acceptable to behave towards any member of our school community in this way and it will not be tolerated.

We absolutely do want to work with you and where there is a concern we will work with you to resolve it in a calm and rational manner.

If you do have a concern please do email the class teacher with the details so it can be investigated and then someone will either get back to you or arrange to meet with you. We are not usually able to respond to requests for immediate meetings.

If you have a safeguarding concern, please use our safeguarding@rosecroft.school email address or ring the office and ask for a call from a Designated Safeguarding Lead.

Thank you for your co-operation with this matter.

Football at lunchtime

Currently children are able to bring their own footballs into school on their allocated ball day. We are in the process of purchasing new balls so next term school balls will be provided, so please do not send in balls from home.

We operate a rota system for our outdoor gym equipment, climbing frames and 'ball days'. This is purely to manage the number of children on equipment and also the number of ball games taking place at any one time. With 500 pupils, lunchtime play can get very busy! There is always lots going on outside and we are also due to take delivery of a new outdoor shed that will house outdoor play equipment for use at break and lunchtimes.

Mr Leather attended a Sports Leaders course with a team of our pupils at UEA and they will be rolling out their activity programme from the beginning of the new term. 😊
