Newsletter 11

Dear Parents and Carers,

This half term has to be one of the shortest we have ever had at less than 5 weeks, but we are still managing to fit a lot in!

Many of our Y2 pupils went out on their first residential last week and had a busy and tiring but amazing time at Hautbois. Many thanks to all the staff and also parents for supporting with this.

Yesterday was a very special day in school as we celebrated the 80th anniversary of VE day. Everyone, adults and children, looked very smart in their 1940s outfits! Our day started with assemblies hosted by the Attleborough Branch Secretary of the Royal British Legion and in morning lessons, our pupils learnt about the significance of VE day. At lunchtime we had a whole school picnic, and in the afternoon, the children had free reign over a host of fun games, tasks and activities all relating to the 1940s and the second world war. We all had lots of fun and hopefully the day will help the children remember the significance of VE day for us all.

Next week is SATS week for our Y6 pupils. This will be their opportunity to shine and to show just how much they have learnt and what they can do. This will look different for each and every child and regardless of how things go on the day, we are so incredibly proud of them all. They have worked so hard. Recently some children have been having some additional small group or 1:1 sessions with school staff and they have consistently worked incredibly hard, with good humour and good grace. As in previous years we will be offering all our Y6 pupils, a special SATS breakfast club in the hall to give them the opportunity to come together in a fun and supportive environment before completing their papers. Whilst SATS matter and we would like our children to shine, they do not define a child and we are very mindful of that.

A reminder to any Y3/4 pupils who have signed up to complete their level 1 bikeability award next week, that they will need to bring their bike to school next Friday.

Congratulations to Mr and Mrs Fletcher who welcomed their second daughter into the world on Easter Sunday, a busy but exciting time!

We are also looking forward to welcoming Miss Warren back on 19th May as she returns from maternity leave. Sadly, that means that we will say goodbye to Mr Harrington at the same time. Mr Harrington has been with us for nearly a year now, first as a student teacher and since January as a cover teacher. We thank him for all he has done and wish him well in his new role at Attleborough Primary School.

Best wishes for a lovely weekend, Mrs Jackie Drew – Headteacher
